The wireframe illustrates the following components:

- Post Creation:** A blue gradient box containing fields for 'aggiungi testo...' and 'aggiungi immagine...', a dropdown for 'seleziona categorie', and a 'Invia' button.
- User Profile:** A teal box featuring a circular profile picture of a mountain, the username 'username', and a bio: 'karma score come reddit? qualche roba strana'.
- Notifications:** A vertical stack of four rounded rectangles, each representing a notification:
 - 'User1 has commented your post'
 - 'User2 has liked your post'
 - 'User3 has liked your post'
 - 'User4 has commented your post'Each notification includes a small circular icon on the left.
- Header Bar:** A grey bar at the bottom with a user icon, the text 'randomUserName', a search input field, and buttons for 'Home', 'Bell', and 'Gear'.
- Bottom Navigation:** A grey bar with four icons: a house (Home), a magnifying glass (Search), a bell (Notifications), and a circle with a dot (Profile).
